Section 2 | Qualitative Section

This segment captures the depth and breadth of the organization’s practice. The evaluation criteria are a three-by-three matrix, each unique to the award category. The three pillars of evaluation are Innovation, Sustainability and Impact. Each evaluation criteria clearly defines the expectation. Please go through the definition for each and then share your response in the space provided. Please be sure to include, metrics, success stories, or stakeholder VOCs or anything else to substantiate your responses.

INNOVATION

This criterion recognizes HR practices that are creative and pioneer new approaches, technologies and methodologies to enhance organizational effectiveness, employee engagement, or talent management. Entries must showcase inventive solutions that push the boundaries of traditional HR practices, driving positive change and fostering a culture of creativity within the workplace.

1. Progressive Performance Frameworks

The organization demonstrates adoption of innovative performance management models that go beyond traditional appraisal cycles- including agile goals, continuous feedback, and personalized growth plans.

Based on the definition provided, use this space to share your response.

2. Technology-Driven Performance Enablement

The organization showcases the use of digital platforms, AI, or analytics to drive real-time performance insights, feedback loops, and informed decision-making for managers and employees.

Based on the definition provided, use this space to share your response.

3. Employee-Inclusive Design

The organization encourages co-creation of performance processes by involving employees in goal-setting, feedback mechanisms, and development planning, fostering a sense of ownership and alignment

Based on the definition provided, use this space to share your response.

SUSTAINABILITY

This criterion recognizes HR practices that are built for long-term impact, with alignment to business goals and the ability to scale and sustain over time. Entries must demonstrate how frameworks, processes, and technologies ensure continuity, adaptability, and strategic relevance-beyond individual initiatives or short-term wins.

1. Alignment with Organizational Culture and Strategy

The organization demonstrates how its performance approach is embedded into cultural norms and supports long-term business strategy.

Based on the definition provided, use this space to share your response.

2. Scalable and Consistent Processes

The organization has well-defined, transparent processes, governance structures, and capability-building mechanisms that ensures growth and consistent implementation across levels and locations.

Based on the definition provided, use this space to share your response.

3. Ongoing Review and Adaptability

The organization shows commitment to periodically reviewing and evolving its performance framework based on employee feedback, business needs, and external best practices.

Based on the definition provided, use this space to share your response.

IMPACT

This criteria honours HR practices that deliver measurable and substantial results in advancing organizational objectives. Entries must showcase tangible outcomes such as enhanced organizational efficiency and effectiveness or any other measurable metric as an outcome of the transformative initiative.

1. Improved Individual and Team Outcomes

The organization demonstrates how its performance management approach has led to measurable improvements in employee productivity, goal achievement, or team collaboration.

Based on the definition provided, use this space to share your response.

2. Enhanced Employee Experience and Perceived Fairness

The organization provides evidence of stronger employee trust in the performance process, including perceptions of fairness, transparency, and inclusion — reflected through engagement scores, feedback, or reduced grievances.

Based on the definition provided, use this space to share your response.

3. Talent Growth and Internal Movement

The organization provides evidence of stronger internal talent pipelines - such as increased career growth opportunities, internal mobility, or readiness for future roles - as a result of its performance practices.

Based on the definition provided, use this space to share your response.
